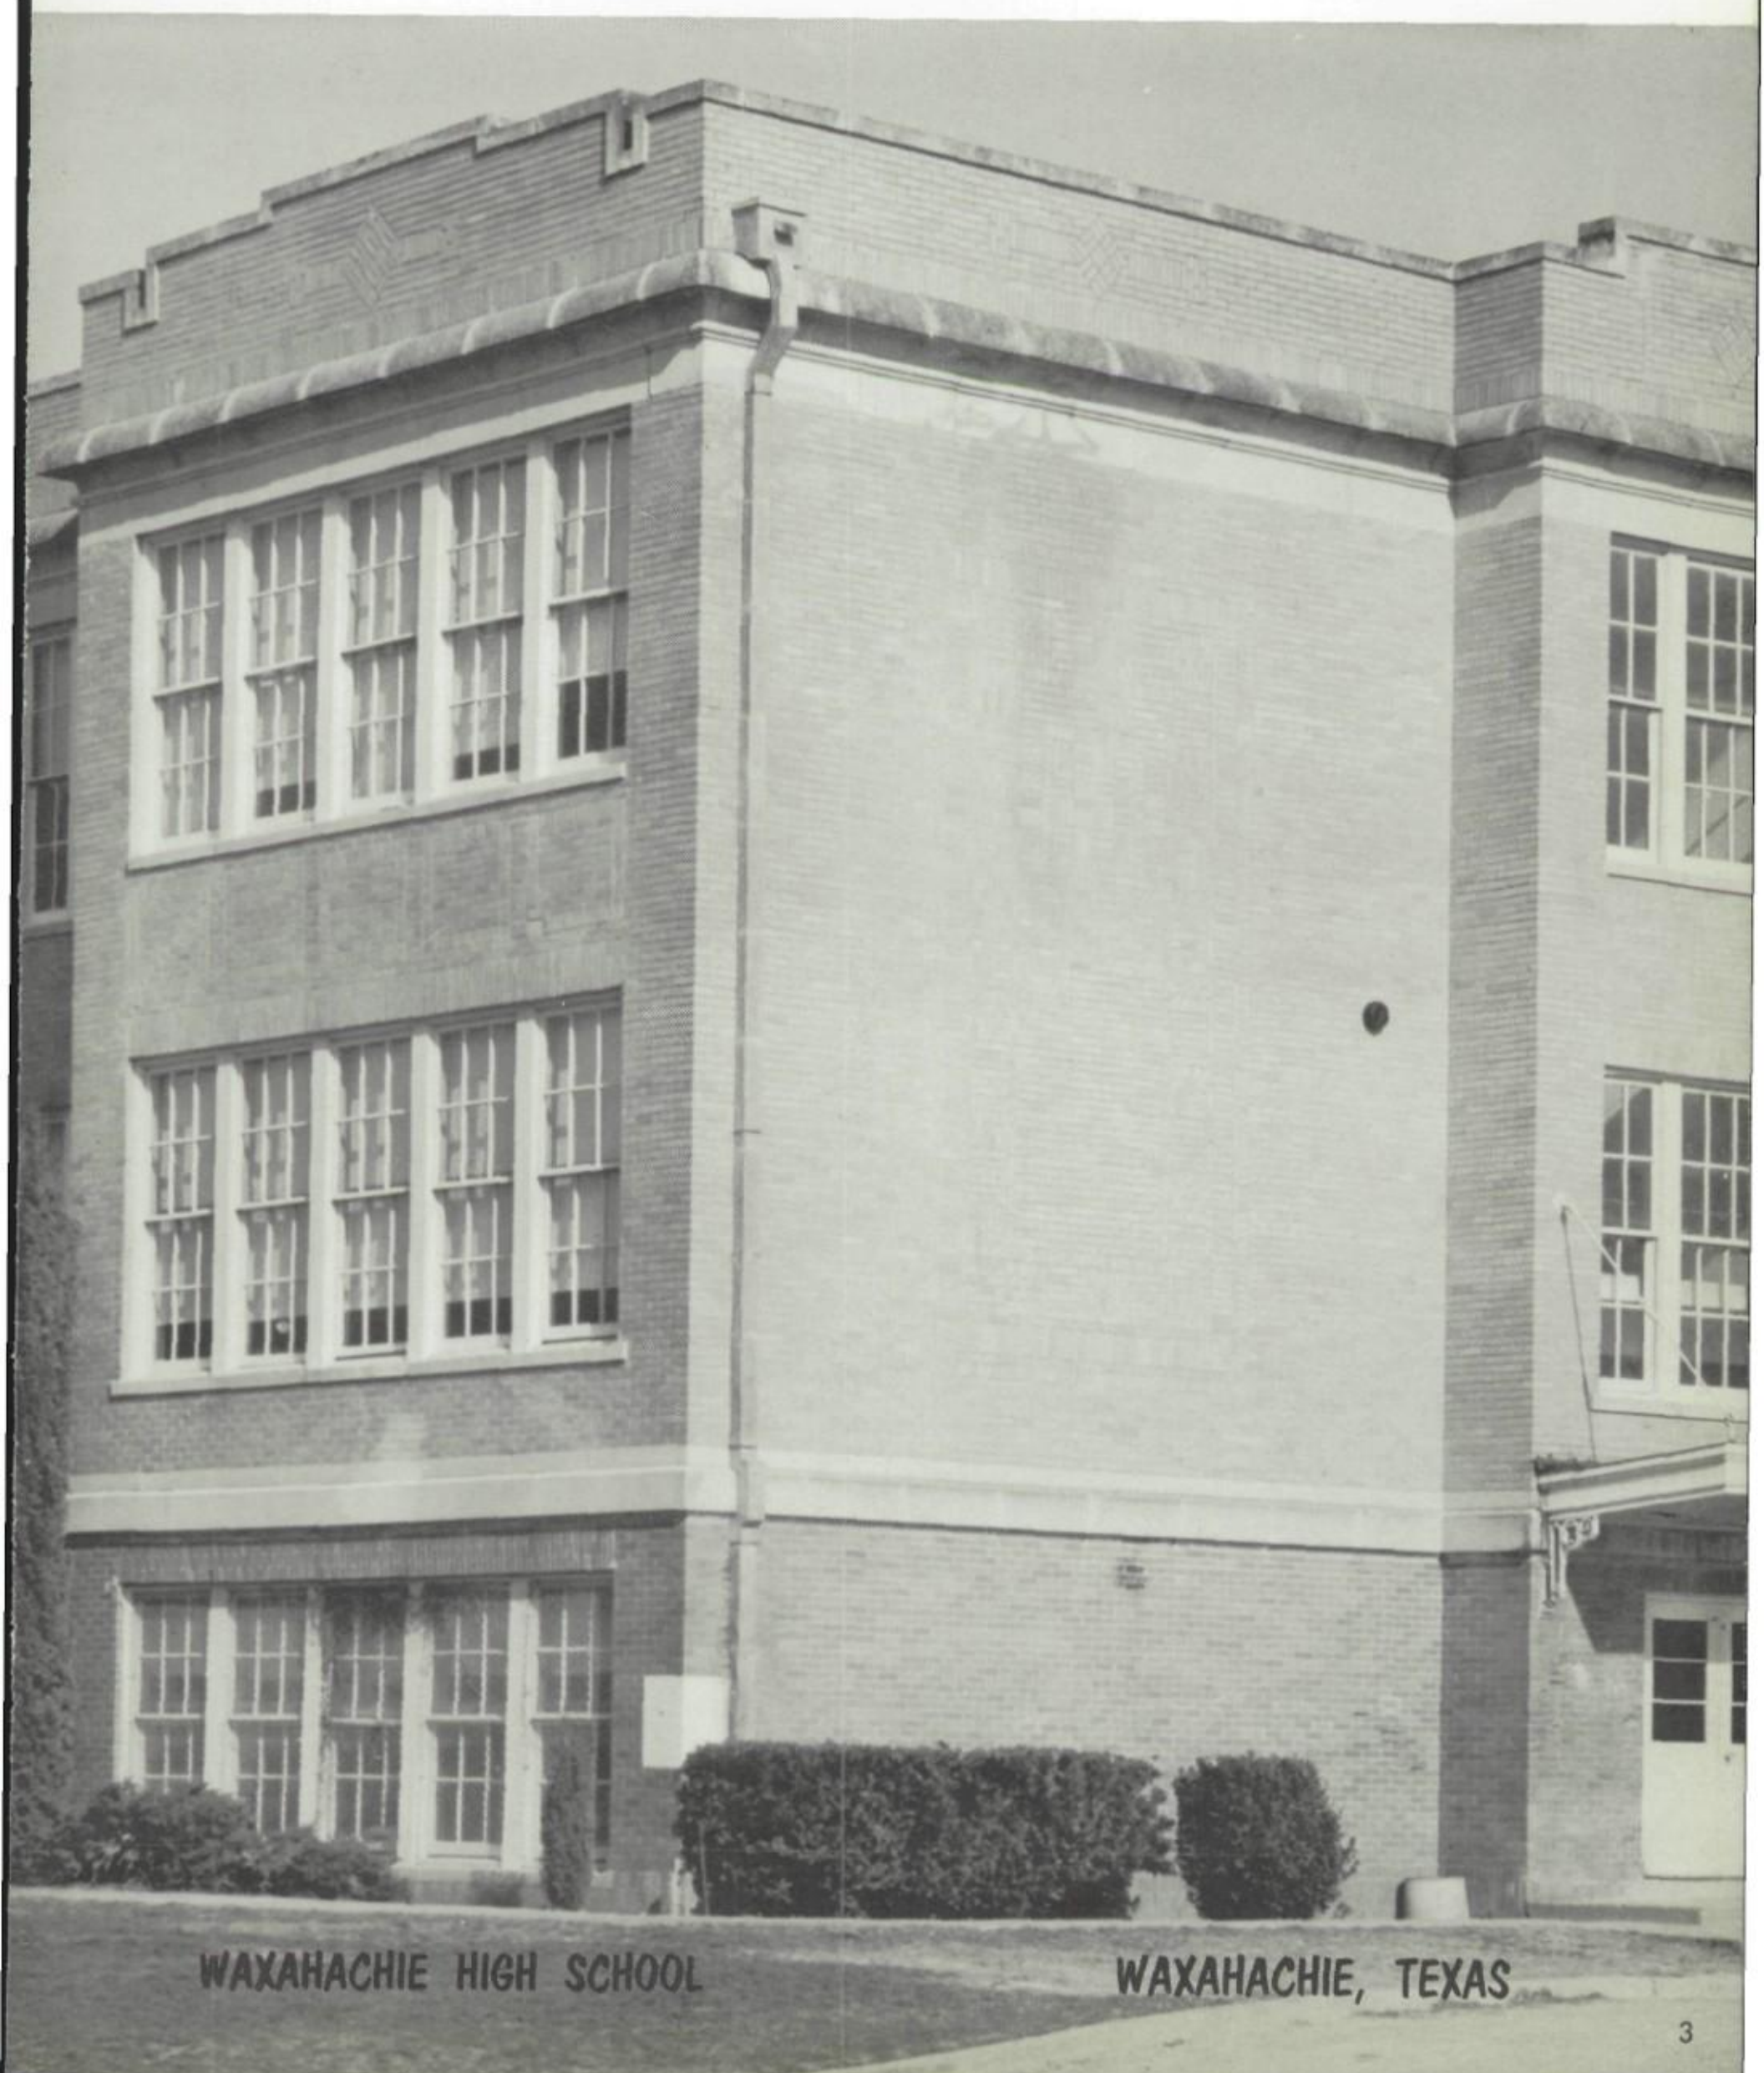
THE CHIEF

PUBLISHED BY THE ANNUAL STAFF

1961 Volume XII



WAXAHACHIE HIGH SCHOOL

WAXAHACHIE, TEXAS

Alma Mater

Waxahachie, Hail to thee!

We will ever loyal be.

As we loud thy praises tell,

Noble school we love so well,

Green and white our banners fly

Raise them proudly to the sky

Glorious mem'ries never die

Hail to thee! Hail to thee!

Waxahachie High.

Annual Staff
1961

We hope that the long hours that have been spent preparing this Volume XII of the Chief have not been in vain. It is our sincere desire that these pages will reflect the happiness of our youth throughout the future.

Dedication

In appreciation for

All the things you've done,

Your kindness, your courtesy,

Your smile for everyone;

For your gentle understanding,

And the work you gladly did,

As a most outstanding teacher

For you we cast our bid.

Thank you for your gladness,

And your jokes that played their part:

The world, indeed, needs humor

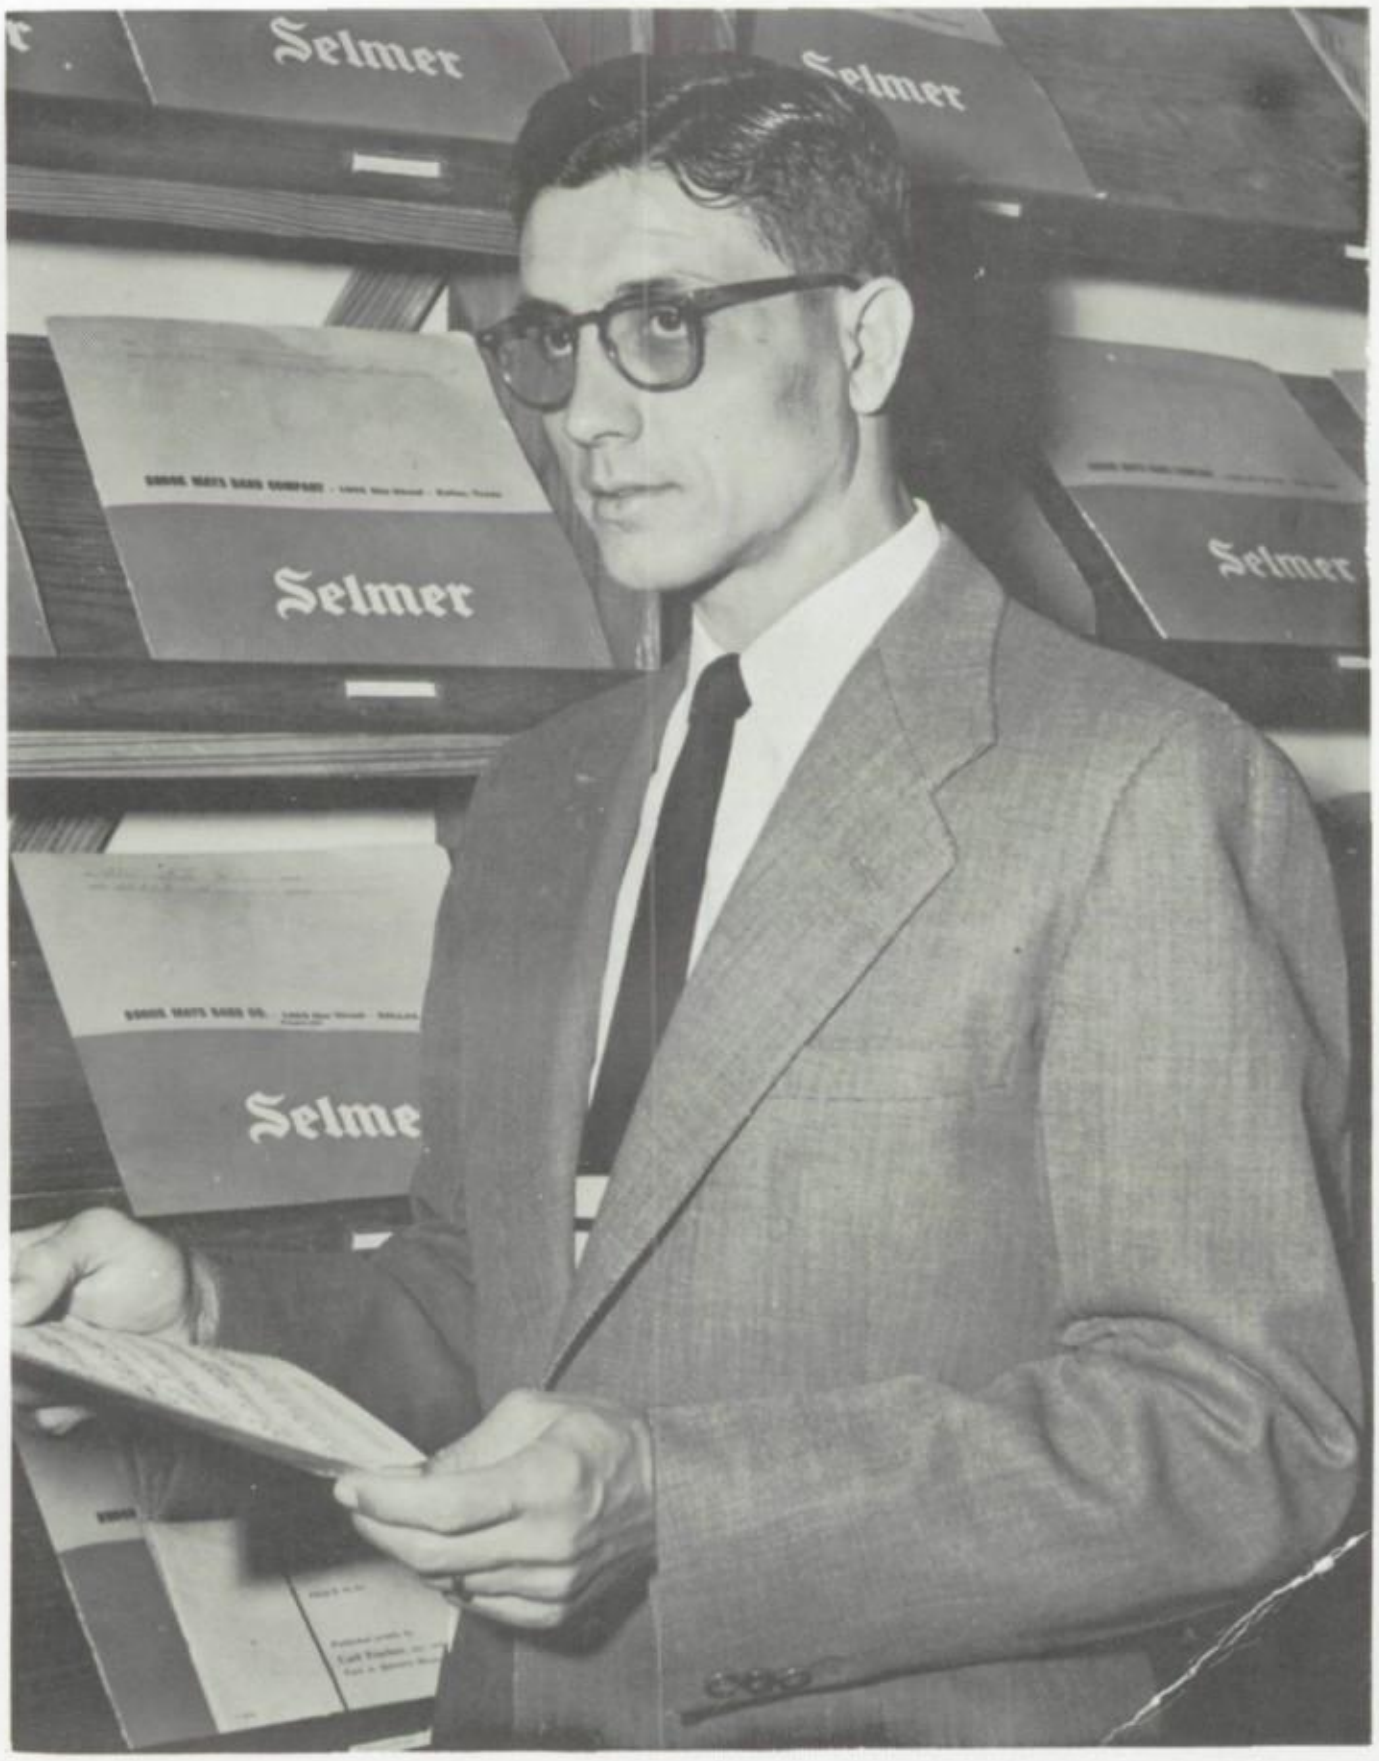
Which you gave with generous heart.

Though we know this is a meager gift,

Our sentiment is true.

We dedicate the '61 Chief,

Mr. Dorsey, just to you.



We dedicate this the

1961 Chief

To you,

Mr. Harold Dorsey

To The Seniors

That time is here, its come at last
Your laughter fades away;
Your footsteps die upon the stair;
He's taken you away.

Just who could be so very cruel,
So heartless, so unkind?
We guess we'll have to blame it on
Old ancient Father Time.

I guess this does sound very glum,
But joy is mixed here, too.
Growing up is lots of fun.
It's parting that is blue.

We wish you all the best of luck
In life from day to day
We wish you all the happiness
That haunts life's mystic way.

In closing we would like to ask
Please don't forget old Waxa High;
I guess that's all that we can say
Except, of course,---Goodbye!

OUR BASKETBALL TEAM

IN ACTION

Dear Byrd,

I know you don't appreciate our name for you, but then you have to part in the matter.

Well, since you wrote the biography of our lives in my annual, I shall write something about that in yours.

This is mentioned in yours, Dianne's, and my annuals — the D.I.C.H.!! I'll never forget that. That was a great experience.

I remember about your driving experiences too. They were great, but remember the time I parallel parked backwards in front of Marvin the night of Open House? Some of your experiences beat that!

I certainly remember crawling along the floor in the balcony of the church. Mother never knew who it was.

Also remember the F.H.A. Banquet this year. Did you and Dianne have lots of fun with those great guys(?)?

I remember all of our summer experiences. Remember the first we ever went to camp? We

were miserable! Another time we decided we wanted a great suntan so we stayed out at the very first of the season for 5 hours. We looked like lobsters for weeks! We also had a good time the summer before our freshman year. Remember when our parents had to come to take us to Frank's at the break to get something to eat? We weren't really hungry; we just had to have because everybody else did. That summer we got seventeen in Pam's Ford (the big one, not Angie's impossible)! We were three and four layers deep in the back seat! And then last summer in Driver's Training. Remember how scared we were the night before our test when you spent the night with me? Well, I know we'll have a great time this summer, especially since you've moved into your new house. And I really hope you do get a swimming pool.

I'm running out of space, and I haven't said what is usually said: I think you're great and I wish you all the success and luck in the world, Sweetie!

Love always, Linda Ann

Dear little "Birdie," tweet! tweet!

I guess you know I'll never forget all the fun we've had this year. I'll always remember your long, stringy legs waving around. You're a perfect specimen of some of the things we've studied in biology.

Remember the chairs on the roof? Those were the good ol days. Ho Hum! It was fun until our roof started leaking because we knocked all the boards off.

I'll never forget all the crazy things you did in your car when you were first learning how to drive. You still do crazy things now that you're <u>supposed</u> to know how.

Especially the <u>Ditch</u>, & the mud hole on the <u>parking lot</u> of the church & the mud holes by Mrs. Coleman's house. I'll never forget when you splashed mud on those people at the bowling alley. HA! HA! Ellen, you and mud just don't seem to go together, do you? Best that you remain home on rainy days.

Remember the green country club swimming pool? Too bad the ole cook had to be so grouchy about it.

No kidding, you're a very sweet girl and I even love you more now that your house is finished. He He He

Yes, do ~~somber~~ remember the Chaparral Club. Remember the redheaded woman who really caught the stares. Also ~~some~~ remember the drunk one who wouldn't let go of my hand.

Do you remember Elmer Gantry and Johnny Cocker? A great guy!! I really liked his car.

We've had so much fun this year. I hope our junior year will even be greater. I know it will.

Well, this is to the sweetest girlie I know. I'll even remember you in my old age. Why, I might even give you a million in my will.

Love for always,
Your dear little friend,
Rebecca

Again this year, the staff of "The Chief," together with the student body and faculty of Waxahachie High School closes this, the twelfth annual edition of "The Chief," with a word of grateful appreciation for our advertisers. Although there are evidently many businessmen who doubt the effectiveness of yearbook advertising, the greater majority have realized that by purchasing annual advertising they are not only living up to their civic responsibilities, but buying an advertisement whose longevity is not measured by minutes as in radio, by days as in newspapers, nor by months as in magazines, but by untold years of being read and re-read by a student body and its families who represent a vast buying public. Thanks again to you who have given us your support.

Dear Ellen,

This year has been more enjoyable for me because of your friendship. It seems like every time I see you, you are smiling. I hope you never lose your wonderful, happy personality.

I'm dying to come see your house. It probably sounds like I'm trying to invite myself over. Well, I am.

I hope to see you in Summer School this summer. It should have a "ball."

Best wishes + good luck to a very deserving girl. I know you will always derive great pleasure in what ever you may do.

See you this summer at the Country Club.

Love for always,
Diane

P.S - I <u>finally</u> got to sign your annual + I almost wrote a whole page.
